## February Anniversary Luncheon

Thank you to all of our members **and** new faces who attended our Anniversary Luncheon at the Oakmont Country Club on February 18, 2011. We had over 70 people in attendance. We appreciate your commitment and support of the Plum Chamber! We have many people to thank, including UPMC for being our 2011 Select Business Sponsor and Mayor Richard Hrivnak for accepting our invitation to be our guest speaker. We would also like to, once again, thank all of our founding sponsors for the support that they have give to our chamber this past year.

**A special thank you to the Oakmont Country Club for doing an outstanding job accommodating us and our requests!**

### A Word from the President.....

On behalf of myself and the other board members of the Plum Chamber of Commerce, I would like to thank you for attending our "Anniversary Luncheon" to celebrate our first year as the Plum Chamber of Commerce.

To reflect, the Chamber has grown faster than we had ever anticipated. We faced a number of challenges and reacted to meet the needs of our growing membership. Between the Food Drive for Plum and Toys for Tots Charities we gave our members a chance to give back to our community.

We hosted such events as first ever Golf Outing, and a number of highly attended monthly luncheons that featured outstanding speakers such as Sean Logan, Jennifer Antkowiak, Jeff Tobe, Deana Moore and many more.

I am very excited about the upcoming year and we have several events planned including Monte Carlo, Golf Outing & Trade Show for 2011 that will no doubt create a solid foundation for the Chamber and allow us to give back to the community as well as a platform for you, our members, to spotlight your business.

Our goal is to provide many different networking and marketing opportunities for you and your business. We believe the Chamber offers a high quality service that not only promotes your company but encourages others to make Plum their home.

There are several ways you can participate and get in front of many people, and without your involvement in the Plum Chamber of Commerce, those people may not know what you do and how it may benefit others. Get involved and take advantage of every opportunity!!

I want to personally thank you sincerely for your support and hope that it continues. If I, or any of the Board of Directors can be of assistance to you please feel free to contact any of us through the Plum Chamber website at [www.plumchamber.com](http://www.plumchamber.com)

Expecting the best,

Dr. Scott M. Pint, - Plum Chamber President

## NEWS.....Update on the August 2010 After Hours Plum EMS Fundraiser hosted by Dave Johnson of Erie Insurance.

The Plum Chamber of Commerce and Plum EMS would like to thank everyone who participated and/or donated at the August After Hours fundraiser event. The money raised from this event allowed the Plum EMS to purchase a **GlideScope Ranger.....**

*"Establishing and maintaining a patent airway is a critical part of Emergency care. Airway management in the emergent setting is complicated by factors—such as trauma, obesity, and other anatomical anomalies—that first responders must overcome in patients of all sizes and weights. That's why reliable, practical airway tools for a wide range of circumstances are so important."*

*"Operational in seconds, GlideScope Ranger and Ranger Single Use video laryngoscopes provide a clear, real-time view of the airway and tube placement—ideal for EMS professionals and military paramedics."*

The Plum Borough EMS is the first in Western Pennsylvania to have access to this new and exciting technology which benefits the whole community! They would like to obtain one more in the future so that both ambulances have access to this life-saving device.

On behalf of the Plum EMS, D. Johnson Insurance Agency and Plum Chamber of Commerce, thank you for your help in making this possible. If you would like to make a donation to the Plum EMS, you can do so by mailing it to Plum EMS, 4575 New Texas Road, Plum, PA 15239. "
