...Creating the Ideal Customer Experience

This high-energy, participatory, humorous session has received outstanding reviews from diverse business professionals around the world, including. Certified Speaking Professional, Jeff Tobe, challenges you to **step outside your comfort zone** in positioning yourself more creatively than ever before. He provides the insight you require to give yourself the **'competitive edge'** for which we all strive in business today.

Tobe is not just entertaining—he provides real **'tools'** to creatively thriving in a changing market. The focus of Coloring Outside the Lines is on creatively focusing on the customer "experience" versus "customer service". He discusses the concept of seeing the world through their eyes—from their perspective! Most important, his presentations are always upbeat, interactive and FUN!
