it is the courage to continue that counts.

## MESSAGE

from the President

Welcome, 2021! We hope you will be a better year!

Happy New Year everyone!

The Chamber board is so excited at some of the ideas we have for all of you! We can't predict what this year will look like, but we can promise some great networking opportunities and free opportunities to advertise your business no matter what the year looks like!

This new newsletter will contain information every 2 weeks on what is happening with the chamber! Make sure you look for it as you won't want to miss out on these events and opportunities!

I hope you will join us, either in person or on zoom, for our first luncheon on Wednesday, January 27th to learn all the information for the year!!!

Happy 2021!
