**MESSAGE**

*from the President*

The past month has been a great month for the Chamber. We had 14 members renew, 2 new members, and 2 potential new members!!! We had a very successful luncheon via zoom and in person and a fun AfterHours playing Scategories. We also had an overwhelming response to our first fundraiser of the year! We were planning on filling 1 super bowl block pool and in 24 hours we sold around 150 blocks so we ended up with 2!!!!

We use the money we raise from the fundraisers to help support local businesses, help our future business owners and employees by providing scholarships to Plum School District students, and provide outreaches and events to our community!

Please join us in this months fundraiser by purchasing a Cash Bash ticket and watching us on Facebook Live on the 24th.

Hope to see you at this months luncheon at Shooti's Bar and Grill where Drew Barto from Energy Swing Windows will be giving some marketing techniques. Please just register by This Monday so we can RSVP with an accurate count.

See you soon!
